- Jay called the Meeting to Order at 6:10 am.
- Introductions were made.
- There were no changes to the Agenda.
- The Minutes were reviewed and signed.
- The Warrants were reviewed, approved, and signed.
- The Mail was reviewed.
- The Road Commissioner gave his report: there were beavers in three areas to be dealt with; the Town was still loading sand; and grading was proceeding. Hale Hollow and the dry hydrant were ok.
- Pete Fellows spoke; the MRGP needs to be submitted, along with \$240; this is done yearly. A grant has been applied for for the Flaster and the old Farm Brook property. A report should be coming shortly on the Amherst dam. Tory then spoke about the LHMP; it has expired, and needs to be done every five years; no plan there would be no FEMA grants (FEMA = 75%). Jay motioned to approve, Rick seconded; Keith abstained. Steven Bauer is the new attorney who will be dealing with bylaws, zoning, and grants.
- Josh Linten spoke next; he has done 30 hours of training; and Jay suggested he write a proposal for the SB, which he will do. He can be contacted by VSP or Ludlow dispatch. Josh would require liability insurance (Sandie will check on this with the League). He asked if he would be an hourly employee, or non-salaried; they are two separate areas.
- The Warning was discussed next; Rick approved; Keith seconded; so voted; Sandie will post the Warning in the Rutland Herald. Rick suggested having Bill from Macclay available at the Meeting to answer questions from the voters.
- ARPA was discussed next, with the possibility of using some of the money for covering Town meetings, including the SB. Pat of Okemo will work as middleman with the vendors; Keith will also work on this item.
- There was no time limit on the Town Policy manual, but the SB will work on it.

The Meeting was adjourned at 7:30 pm.
