

Selectboard, Town of Plymouth
Monday, November 4, 2019
Regular Meeting Minutes
6:00 PM

Members: Larry Lynds and Shawn Bemis

Others: Mike Coleman, Todd Menees, Sandie Small

- Larry called the Meeting to Order at 6:00 pm
- Introductions were made.
- There were no changes to the Agenda.
- Larry nominated Shawn to be the SB Chair; Shawn stated probably, but he needed to give it a bit more thought.
- There were several interested residents in the vacancy on the SB; Sandie will ask each individual to submit a resume, and interviews can held the following week, so that a decision can be made at the next SB meeting.
- The Minutes from the Meeting of October 21, 2019, were reviewed. Shawn motioned to accept same. Larry, who was not in attendance at that Meeting, stated he would also sign said Minutes. Ralph who was at the Meeting was not in attendance this evening as he has resigned from the SB.
- Todd Menees spoke about the Community Resiliency Organization, focusing on flooding in the Town and the Town's response. He hoped that information could be passed on to the residents of Plymouth and that volunteers would sign on to create such an organization in Plymouth. He provided information as well as resources. And he also mentioned that the Planning/Zoning Board might want to be involved.
- Mike Coleman spoke about the appeal by Schlosser to the PZB decision regarding ABLE Waste Management. Mike will bring this up before the Board on Tuesday, and advise their decision to either be an interested party or not. The Town Attorney, MaryLou Scofield, will be contacted by Mike so that she has this information.
- Mail was reviewed and tended to.
- Warrants were reviewed, approved, and signed.
- The new business consisted of the computer updates being done.
- Old business: there were no truck bids received so that a decision will need to be made as to the status of said truck; the CC furnace still needs a part; a decision needs to be made as to the floor in the old Town Hall; the Town audit draft should be received shortly; and the Hazard Mitigation Plan needs to be tended to.

Shawn motioned to adjourn the Meeting; Larry seconded; so voted. The Meeting was adjourned at 7:00 pm.

Draft written by Sandie Small

Larry Lynds

Shawn Bemis
