Hearing and Regular Meeting Minutes
6:00 PM

Members: Ralph Michael, Chair; Shawn Bemis

Others: Mike Coleman; Mark and Tina Fletcher; Cary Kilner; Rick Kaminski; Elaine Pauley; Sandie Small

- Ralph called the Meeting to Order at 6:06 pm.
- Mike Coleman spoke about the proposed Town Plan. He reviewed the changes to the Plan, and indicated the final result was the culmination of the work of two years; TRORC was very helpful and indicated where there was a need for information so that grants could be given. There were no real changes to the zoning map. As the Town approved said Plan, TRORC would be contacted after the PZC makes the minor changes; a date will then be set for the vote by the Town residents. After the Town Plan (which is now in effect for eight (8) years) has been approved by the voters; the zoning laws will be examined next; the zoning ordinance does not require a Town vote, but does require at least two hearing (one of which is for land use).
- Mike also mentioned that the ATV has identified several culverts which need replacing; Mike will be forwarding a list of those culverts. There would be zero labor for the Town.
- The Minutes of the Meeting of 5/20/19 were reviewed; Shawn motioned to accept; Ralph seconded; so voted.
- The letter to be signed by the SB from the Listers was tabled until more information from the Listers could be obtained.
- Mail was reviewed. Joe Rebideau would be asked to continue as Fire Warden, and he would be asked if Steve Radonis would become the Deputy Warden. Sandie will follow up on the invitation from TRORC to participate in the Muni Roads Grants-in-Aid Program. Ralph signed the letter to NRCS from Pete Fellows.
- Warrants were reviewed, approved, and signed.

Shawn motioned to adjourn the Meeting; Ralph seconded; the Meeting was adjourned at 7:05 pm.
