Regular Meeting Minutes**

Members: Jay Kullman, Chair (left at 7:35); Rick Kaminski; Keith Cappellini (arrived at 6:30)

Others: Carl Roller, Sandie Small

- Jay called the Meeting to Order at 6:00 pm.
- Introductions were made.
- There were no changes to the Agenda.
- The Minutes were reviewed, and signed.
- The bid from Mosher was opened . Rick will follow up in this.
- The catering request from Brick & Mortar was approved, and Sandie will follow up.
- Warrants were reviewed, approved, and signed. Jay indicated that the road foreman needs to code and initial invoices for the HW department.
- The Road Commissioner stated there was work to be done on Hale Hollow; there was a class 4 road. It was motioned to complete a survey; Rick motioned, Jay seconded, so voted. Rick stated also the regular work was being one on Town roads. Also paving on 100A was commencing by the SOV.
- Carl Roller spoke about the 5 Corners area and a water issue; Rick said he would follow up on this with Mr. Roller and Mr. Brown, who was also concerned about the ATV vehicles.
- MaClay discussed his proposal about energy and the Town Hall. He gave an overview of the project: roof, envelope of building, mechanical issues, and solar. After the presentation, the SB felt a working meeting was required prior to getting back to MaClay.
- Wendy from NEMRC was next on the Agenda. She felt that the policies should be the next item for the SB; the SB will review this as well at its working meeting.
- Rick stated that there was some maintenance at the CC on the playground area regarding steps; Rick felt he could take care of this.
- Under old business: Municipal fines and the zoom meeting were tabled. The HW department ad continues to run; the website is almost ready; the Sheriff's contract is now 12 hours; the STR is done; the new audit is being worked on.

The Meeting was adjourned at 7:50 pm.
