

## No more 4-hour Household Hazardous Waste Collections?

Nope! And no more waiting in long lines. Instead, we have opened a seasonal HHW Depot to offer a more convenient way to dispose of bathroom cleaners, nail polish remover, paint, insecticides, chemical fertilizers, gasoline, etc.

We are open Tuesday and Thursday mornings (we can't find any weekend help at present) and closing at the end of September. Call Mary O'Brien at 802-674-9235 for an appointment and directions to the Depot.

- SWWCSWMD residents only
- \$10/car for up to 10 gallons of HHW (no charge for paint)
- Visit [www.swwcswmd.org](http://www.swwcswmd.org) for a list of what we take and what we don't.
