a. **After review and discussion. Jay Jullman made a motion to approve the Local/Town ballot. Rick Kaminski seconded the motion. The motion carried.**

5. Review, Discuss and Approve Final Items for Town Meeting Day/Voting Process:

a. There was a discussion around Election Day. The ballot and the Articles that were listed on the ballot. Bruce had wondered why the budget is not listed on a ballot for people to vote on versus on the floor at Town Meeting where less people attend. Karen Evans said that the reason is because you cannot make any changes if the budget is not passed like you can “on the floor.” We said that if someone wanted to get it on a ballot the Town would need a petition and signatures to change the way it has been done.

b. There was discussion about the Warning from Mountain View School District and the Articles listed. Correspondence from Rayna Bishop talked about multiple ballots that are on different colored paper to help with sorting and totaling. More

information to follow. There was discussion on the number of Voting Boxes that the Town has, and we will wait and see what the final decision is from Mountain View School.

c. Voter checklist was handed out. Agela Kissell said another one would be forthcoming with any changes prior to the local election.
